### *A message for Katy Roberts*

Last year Cressey College and I lost a very important person close to my heart, Katy Roberts.  
She was a very special member of the Adeline family, and will always be.  
We lost Katy on the 3<sup>rd</sup> October 2017; and I am writing this on the 3<sup>rd</sup> October 2018. This year without Katy has been a hard one, but not a moment has gone by where I have not thought of her.  
Cressey lost a very important person so I think it is important we remember her. My heart goes out to her family and friends at this difficult time.

### New 'Chappells' site in Wimbledon

The old FACE Youth school in Wimbledon has now formally changed to be Cressey's Chappells site, and the students there are now on roll at Cressey rather than at FACE Youth.

### New offsite team in Merton

We are happy to announce we have formed a new offsite team called the Lockley team. This will be based in Merton and will deliver Pathway to Employment & Outreach programs to students in that area.

### Student group names at Coombe Cliff!

The Primary school has been split into four separate groups;

**The Deanfield** group which is for KS1/2 primary students.

**The Wallis** group which is for the KS2/3 primary students.

**The Haven** group which was is for students with their own classroom (previously called Ash class)

&

**Shernall**, which is our Primary outreach programme based in South Norwood, for students waiting for a place at Coombe Cliff.
