

George Floyd

On the 25th May, I'm so sad to say,
A man went to his local store,
now unfortunately can say no more.

The police attended a call from a salesman in distress,
Claiming George Floyd came in to make a mess.

A forged 20-dollar note, George pulled from his coat,
Just to grab a few bits along with a pack of smoke.

He said he was doing his job, but really he was not
With a knee in George's neck, was this his plot?

Mama Mama George had cried and 8 minutes later George had died.

No one should have to suffer because of the colour of their face

There needs to be more acceptance within the human race.
